Julie, this is the final one from Dino that I have. Also, you should have the documents from Beth Valenziano to include.

I know I'm supposed to give you a figure on the amount of hours I've spent working on this; but does it include getting clarifications from the requestor and talking to ARD folks about which documents they have? What about my review of the documents?

Thanks.

Any word? As you can see, the press is having a field day with this story.
Thanks.

Hello,

We got this letter in from Rep. Talib on Severstal. My management would like me to set up a call with you to discuss where MI is with this because we have to respond to this letter.

Let me know what your availability is this week for a call.

Thanks.
